

Great Shift Photos

Great photos include you, a merchandized display, customers, and sales!

Helpful Hints:

- Put product you can sell on the table
- Be sure your attire is neat
- Be sure your setup looks just like the manual
- -Be sure your display is visually appealing for customers to want to stop and say hi!

Poor Shift Photos

Items that make photos not usable are:

- Wrong Attire
- Blurry Photos
- Wrong Product
- Not clean/no tablecloth
- Improper food safety
- Photos that do not apply to the shift
